ifak system

Certificate

SIMATIC PDM Integration Test

We, the test laboratory

ifak system GmbH
Oststrasse 18, 39114 Magdeburg, GERMANY

state, that the Electronic Device Description (EDD) for the product as specified in the following was submitted to a SIMATIC PDM integration test.

The testing consists mainly of an offline and an online test of the file.

The EDD corresponds to the requirements for certification to the full extent. The EDD fulfilled the conditions in order to be published on the central SIMATIC PDM web page and to be integrated in the SIMATIC PDM device catalogue.

Device Type:	Capacitive level Transmitter **VEGACAL 60**
Fieldbus Protocol:	Profibus - PA
